As it concerns my education, I graduated in Pedagogical sciences and educational planning at the Department of Education Catania with a final vote of 110/110 cum laude, discussing an experimental thesis about the study of social association and movements of the second generation immigrants of Italy. Title: "#ITALIANISENZACITTADINANZA, Narrazioni sui diritti di cittadinanza dei figli dei migranti in Italia"

Since November 2019, I'm a PhD student in Educational processes, theoretical-transformative models and research methods applied to the territory at the Department of Education Catania.

July 2021 - Subject expert SPS / 07 General sociology.

## PARTICIPATION IN RESEARCH PROJECTS

From January to July 2019 I took part in the research project by Fondazione Ismu, funded by Unicef and its partners UNHCR and Iom Migrantes at the Department of Education Catania: "Unaccompanied and separated children in their transition to adulthood in Italy": the aim of the research was to analyse the transition during adulthood of UASC and to give an empirical evidence to the factors which help or block this transition.

The main tasks within this project were: to coordinate the biographical interviews made by Former UASC interviewers into structures and communities where UASC are hosted in the cities of Catania, Palermo, Siracusa and Messina; observer during the management of the focus group on UASC leaded by a moderator, the senior researcher; listening and transcription of the registered interviews.

## Other collaborations with the Department of Education Catania:

- From July 2019 to October 2019 Junior Researcher in the *Noradica, Inter-Religious dialogue against radicalization of youth through innovative learning practises at school* project and my tasks were: to analyse of the good practices and of the new strategies resulting from the implementation on the Italian territory of the materials produced from the project, through the field survey; insertion and statistical analysis of the data; collaboration to the activities of elaboration of the results and of the research reports.
